

Nicollet

INVESTMENT MANAGEMENT, INC.

LOCATION

Nicollet Investment Management, Inc. is located in the Butler Square building located at 100 North Sixth Street in downtown Minneapolis, directly across the street from the Target Center. We are on the street level on the Sixth Street side of Butler Square facing Target Center. When you enter the lobby from the Sixth Street entrance, we will be on your left. If you enter Butler Square on the First Avenue side, take the escalator or elevator down to the lower level to Kokapelli Café and past the post office. We will be on your left.

PARKING

Parking will be validated if you park in the surface lot directly across from Butler Square on 1st Avenue North. You will enter Loop Parking (501 1st Avenue North) on 1st Avenue North.

Due to construction, if the surface lot is full, the next best option is to park in Ramp B located on 2nd Avenue North. The next option is to park in Ramp A located on 10th Street North.

DRIVING DIRECTIONS

From the west on 394: Take the Fourth Street exit. Go right on First Avenue North. The parking lot (Loop Parking) is one block ahead on your left-hand side.

From the north on 94: Take the Fourth and Seventh Street exit. Follow Fourth Street to First Avenue North. Go right on First Avenue North. The parking lot (Loop Parking) is one block ahead on your left-hand side.

From the north on 35W: Take the University and 4th Avenue exit. Take 4th Avenue right to Hennepin Avenue. Go left on Hennepin to Washington Avenue. Go right on Washington and turn left on First Avenue North. The parking lot (Loop Parking) is three blocks ahead on your left-hand side.

From the east on 94: Take the Eleventh Street exit. Turn right on to First Avenue North. The parking lot (Loop Parking) is five blocks ahead on your right-hand side.

From the south on 35W: Take the Fifth Avenue exit. Follow this to Seventh Street and turn left. Stay on Seventh Street and turn right on First Avenue North. The parking lot (Loop Parking) is one block ahead on your right-hand side.
